We're looking for highly responsible videographers for our upcoming 2015 webcast schedule throughout the United States. Should have own 1) prosumer level camcorder (No DSLR's), 2) quality tripod, and 3) a well maintained decent spec laptop.

Events are in the Portland, ME area with an upcoming event in late July.

Familiarity with Flash Media Encoder, Wirecast, VMix or other encoding software/hardware a bonus but not required. Owning a reputable and stable video capture device also a plus. A solid intermediate understanding of computers/software is required.
