

# Occasional HandymanMowerHelper (Standish)

Location **Maine**  
<https://www.genclassifieds.com/x-380659-z>

Local individual wanted to occasionally assist an older person with mowing, snow shoveling, very basic home maintenance (replace washer hose, easy fence repairs etc) if family is busy with work. \$12/hr "clear". Preferably someone in the area who could stop by within ~24 hrs if needed. Might be a good gig for a teenager or local retiree- tell me a bit about yourself! A bit of occasional extra!
