

2 Year Old Aussie Mix

Location **Idaho**
<https://www.genclassifieds.com/x-380674-z>

I have a beautiful 2 year old Aussie mix that I am thinking about breeding. I got her when she was pregnant and I was unaware and all her pups have found their homes. I would like to sell the pups for \$400 and I would ensure all the puppies would have their dew claws removed and vaccinations (I do Parvo, Distemper, Influenza, Coronavirus and CAV 2). I am looking for both potential buyers and studs. Thank you for your.
