Hello, Hello? Is anyone out there?
Huma may have been born and raised here - However, there will always be a question as to whether sensitive information is or was being leaked to the opposition. Yes, I know about her marriage to Anthony Weiner, the infamous (D) Congressman who sexted pics to women he's corresponded with. An outstanding example of moral leadership in the community.
-- This is only one reason out of many, many reasons Hillary should never again hold public office.
(ie) Vince Foster committed suicide - really ??- powder burns - none, gun found in wrong hand , etc, etc, etc, Benghazi, destroyed gov. emails, etc, etc, kicked out of Watergate investigating committee by own party people, etc, etc, (I could go on all day), complete list of dead bodies showing up with connections to her, etc,,
