I own a 2 story 4-plex, and 2 duplexes in east Boise. Two are near BSU and one is slightly farther south near Broadway and Iowa . I am looking for someone to help me out with general maintenance chores three or four times a year. Currently need gutters cleaned, fence repairs, and some tree trimming and gardening. If you are interested, reliable, and available to help on an on-going basis each year, please e-mail info about yourself, your experience, your availability, tools you have, and what you would charge. Thank you.
