

Lock shopKey cutter (Boise)

Location

Idaho

<https://www.genclassifieds.com/x-380870-z>

We are currently seeking a Department Specialist to work in our Lock Shop department.

Will be preparing locks and keys for a certain project.

Mechanical ability is required, you will be pinning and capping cores and cutting keys.

Attention to Detail is a must

Will take information from a worksheet and apply that to the insertion of pins into lock cores. This will proved the lock to work.

This position will require you to cut keys and prepare materials for each store for shipping

If you feel you would be interested, please send me an up to date copy of your resume.

Thank!
