Quality 24/7 care to fit your busy and sometime hectic schedule. I can take any age full time or part time. As of this ad I have 2 full time openings and 2/3 part time . I can do any shift anytime( Nights, weekends, early mornings). Willing to take sick children ( within reason) and am more than qualified to care for them. Ex combat medic, nurse and now graduate student for my public health nurse practitioner. I have 3 little ones of my own and plenty of experience with children. Healthy food and snacks provided, ample learning ( age appropriate) and when the weather allows strolls, walks, library visits and playground trips. Let me know if you have any questions. Message me for rates, competitive for the!
