my husband and I are looking for 2 ferrets (or 3 if need be) preferably on the young side as we would like to have them for many years and would definitely be there forever home. we have lots of free time (I work from home and we don't go out for long periods of time) we both have a lot of pet experience. we are willing to pay up to 150 for 2 ferrets with a good size clean cage (maybe a bit more for extras like toys, food, treats, hammocks, leashes, harnesses) please email with pics if.
