Hello

I am a stay at home mom to 2 two year olds. I also have 2 foster children ages 4 and 10 months and I babysit 3 kids (varying days and times). With the fosters and my kids I have a lot of appointments monthly. I need someone who can come on days that I have court for my fosters or doctor appts etc. the doctors office is less than a mile and court usually only takes an hour. My mother in law helps but I have a ton of appointments lately and she's getting overwhelmed. It has to be in my home. I have a dog her name is Zoey she's a pug. A house with a playroom and a fenced in yard. I will be sure to feed them and change whoever needs a changing. So pretty much your job would be to ensure everyone survives. I can't afford much so this would be good for a stay at home mom with a flexible schedule and if in turn you need help I can help and watch your kids.i am willing to pay 20\$ each time I need you. I will take some kids with me so it won't be a ton of kids. Your kids are more than welcome! I look forward to hearing from you. Thank
