This is "relaxation" North Woods Style. Enjoy Maine the way life should be at this peaceful secluded lakefront retreat surrounded by amazing views. Cottage sleeps up to 10. There is not a "modern" bathroom. Instead is a clean port-a-pot and an outdoor shower. There is a hand pump for washing in the kitchen and a water cooler filled with fresh local spring water for drinking. All is purposely designed to have a minimal environmental impact upon the land and water as possible. Bring your own boat and launch right on the beach front or use public landing a 1½ mile down the road. Troll Kingsbury Pond or travel through the narrows and enter into another smaller connected Mayfield Pond. Fish for the salmon, splake, white perch, pickerel, horn pout, or brook trout right in the lake or walk to wooded streams through out the area. Beautiful clean clear water great for swimming right of your private dock with complimentary use of canoe to explore shorelines to watch the plentiful wildlife. The multiple loons that spend the summer here are not only spectacular to watch but also provide incredible symphonies of sound in the evenings while you settle around the campfire, firewood supplied. Also enjoy the bald eagles, blue herons, ducks, geese and an occasional beaver passing by. Bring your four wheelers for direct access to miles of ATV trails in the heart of paper company land. Ride for countless miles in any direction right from your.
