

x0024128500 Land with a view 136 acres (North Haverhill)

Location **Maine**
<https://www.genclassifieds.com/x-380903-z>

Amazing views of the White Mountains and Vermont. Enjoy this rural land for recreational use, future camp or home. Nice trail network leading to the top of the mountain. Property is on the snow machine trail and offers great hunting. Also located on the land is the former site of a early 1900's granite quarry with plenty of granite remaining including pink granite. This property is in current use so taxes are.
