 ANYWAY..... ABOUT THE FURBABIES ...

*1 black male solid black .

*1 white /black females . all friendly ,playful, healthy, cute, and great temperament!!!! they are being raised with children and 6 yr old mastiff (they are still nut so trustworthy with our dog i think its cause he is so big and wants to always play with them:)

I am an experienced foster mom with 10 years exp. Kittens were born march 8 2015 ...they have been vetted , groomed nails clipped front lined have a clean bill of health from vet .

* you will need to bring them for shots12 weeks)/and to be fixed at your vet after 16 weeks(since they are fosters people for animals and other places will due free or low cost give them my number)(they have clean bill of health and were front lined at this vet visit ..but to young for shots /spay .)

* adoption fee is \$80.00 per kitten or \$120 for 2 (I love to keep sibs together)

the fee covers the kitten have a vet exam formula food etc. and I will continue to take care of them as my foster mom

if you haveen brought them with the fee I will enter all the fees I have and I will PLease NOT TEXT AND ARGUE WITH ME OVER THE FEE IT IS THE LOWEST FEE ON HERE FOR KITTENS

AND I DO THIS TO HELP ANIMALS NOT MAKE MONEY ITS OBLIVIOUS THAT I E TEXT SAYING THEY ARE NOT FREE ?? TELLING ME OFF OVER BEING A RESPONSIBLE ADOPTER !!!

WHY DON YOU SPEND OVER 125 TAKING 4 KITTENS TO A VET 75 ON SUPPLIES FOR JUST A WEEK 60 ON FRONT LINE AND THEN NOT GET REIMBURSED SO YOU CAN NO LONGER FOSTER

WITH AS LOW AS THE FEE IS I STILL DON'T BREAK EVEN!!!! NOT TO MENTION IF I WAS A MILLIONAIRE AND COULD DO IT FOR FREE THERE WOULD STILL BE A FEE BEING I AM MAKING SURE THEY GO TO A RESPONSIBLE HAPPY STABLE SAFE FINANCIALLY STABLE HOME HAVE YOU SEEN WHAT HAPPENS TO FREE PETS GIVEN AWAY GOOGLE IT!!) I AM A VERY NICE PERSON BUT BEING TOLD OFF AFTER HELPING ANIMALS MY PASSION , CAUSE YOU FEEL YOU ARE OWED SOMETHING OR WANT TO ABUSE IT IS VERY INSULTING DO YOU;RE RESEARCH!! AND WHEN YOU DO FIND YOU'RE FREE KITTEN ENJOY FLEAS MANGE AND AND UNHEALTHY KITTENS NOT VETTED FREE MEANS I DID NOTHING TO PROVIDE VET / CARE AND DON'T CARE WHAT HAPPENS TO THESE KITTENS OR PETS ITS A SHAME BUT TRUE!!!

***** Asking for an adoption fee for an kitten that has received vet care is reasonable. Testing Vet visits medications cost My family money to provide these services.

Kittens without vet care like this should not be given away!!!! They also may be sick have worms mange eye infections fleas etc.

A free pet encourages people to make snap decisions regarding pet ownership. A cat can live to be 14-20 years old.

Please post what your reasonable adoption fee would be. Not providing vet care early in a kitten's life is likely to lead to illness in a newly adopted kitten.

* Please text only at RESPONSIBLE hour I have children , to reserve kitten all available as of now will update as they go. TEXT BETWEEN 10 AM AND 6 PM ONLY PLEASE!!

*pick up is any time Thursday 4/23/15 ...

* please provide your or future vet number as ref 2 personal refs and bring photo I.D.

Thank you !!!
