Drop-leaf "harvest" dining table, 71" x 42" open, 20" wide with leaves down. Seven side chairs and one arm chair, matching the table. 1970's era, Tell City, hard rock maple with formica finish on tabletop. Very good condition overall but table top has some cosmetic blemishes. Drop leaves make this a very handy table that doesn't take up much space and can be used as a sideboard when not.
