I have an antique child's china cabinet hutch cupboard and rocking doll cradle that is white trimmed in red. I have made a little mattress with memory foam and burlap covering. This is an adorable set and one that I have never seen before. This would be a great addition to your child's kitchen set or use as a display with your doll collection. The cabinet is 30" high, 12.5" deep, and 18" wide. The cradle is 19" long, 10" tall, and 16" wide. Asking \$100 for the set. Email post or call Thanks
