This property will bring back childhood memories of carefree, rustic NH vacations in the mountains. The former Mount Pero Ski Lodge is decorated in early 1940's, complete with hand-made cane furniture, a large central fireplace, hand hewn beams, inviting wood floors, a 10' diameter wooden gear from a nearby cider mill and other relics of an era gone by. The lodge is nestled on 11.7 mountainside acres, with unobstructed views of Tenney Mtn. The land is nicely terraced and great for gardening, lawn games, bird watching, mixed in with some solar panels. Enjoy gorgeous sunset views, sipping a carefully chosen libation, in your rocking chair on the oversized front porch. Share this fully-furnished vacation home with a few of your friends, or more, as the lodge sleeps over 40 people.
