Want to make some quick money without actually doing any work? This is what I would like to hire you for:

You've just finished with a long day at work or a long exercise session at the gym. We get together at your place. You sit down at your computer to surf the Internet, or sit down and watch TV or a movie or something. I get down on the floor and you remove your footwear and use my face as your footstool while I smell your stinky feet. I'll even give you a long, relaxing foot massage while I do so!

No sex, just what I detailed above. I merely desire to smell your feet for an hour. No work is necessary on your part and you get an awesome foot massage out of the deal.

Email w/picture if you're.
