Please read entire post (note: the requirements to the subject line at the end)

My company ( webstyleshare[dot]com ) is looking to increase our "remote posters" division.

Currently we are looking for a stay at home moms who can find 7 min a day to post our message online.

Why "moms"? Because we also want to Do Good; hence we've created this win-win proposition.

- We will send you the text or images to post on a regular
- We will provide detailed instructions how to post
- Each assignment will require only 7 min or less to complete
- Each post will have your unique affiliated id -- to track your results
- No Cost. No Fees to enter.
- Earnings are Commission based

If you are interested, please reply with the answers to these questions (you can keep your answers as short or as long as you'd like)

1. Have you looked before for Home from Work opportunities?
2. If Yes -- what was your experience?
3. From what you have read in this post -- what is your expectation? Concerns?

Please include: your name and email to reach. Also, write "WebStyleShare" in the subject of your reply.

Thank you
