

# LOOKING FOR A BLUES DRUMMER

Location **New York**  
<https://www.genclassifieds.com/x-381179-z>

We are:

- an established four year old original four piece blues band, looking for the fifth
- a lead vocalist, a guitarist, a bassist, a harp/guitar player
- a serious group of NYC musicians with day jobs that practice once a week and gig as much as possible
- honoring the blues tradition in all of its' regional forms and discovering what it sounds like in the 21st century
- writing original music and playing some standards

You are:

- a blues/R&B/pocket drummer
- serious at your craft
- an easy going individual that has a good amount of time to commit to a musical endeavor
- more interested in playing and creating then making money
- willing contribute \$9-14 dollars a week for a once a week rehearsal
- interested in what you see & hear on this website [www.thehurtproject.com](http://www.thehurtproject.com) and want to email
