New York Location https://www.genclassifieds.com/x-381185-z

Looking for a good home for my two Maltese puppies. they have had all their shots including rabies. Walks on loose leash, knows the stop, sit, stay commands and the come command. they are very affectionate and playful. Pee pad trained outside. Loves to sit with their heads on your lap or chest. Friendly with strangers, well socialized and not timid. Get more information at
