About Me Greetings!! Animal care is my passion! I have grown up around all types of animals and my love was fostered very early. I started my first job at a kennel at 16 and have committed my life to caring for animals ever since! I first started pet sitting when I realized how stressful the kennel environment can be for some dogs. It can be a very stressful ordeal for pet and owner alike and I wanted to do something to help. Most dogs are much more comfortable in their own environment. Pet sitting is such a rewarding job and I truly enjoy each minute I get to do it! I have also worked at Shelters and have experience with different health and behavior problems. I am currently also in the middle of completing my training certification. I look forward to meeting you and your pets! About My Services My rate is \$35 per night

I prefer to sit the following sizes of dogs: Small (1-15 lbs) Medium (15-40 lbs) Large (40-100 lbs) Giant (100+ lbs) *10 years in animal care-shelters, kennels, and pet sitting. *In progress training certification *AACC veterinary assistant course
 Raves from My Customers I have 2 reviews on my Rover profile. Check out what these customers had to say: "Amanda is professional, responsible, and extremely knowledgeable about animals. In addition, her love for animals is apparent in the way that she interacts with them and goes out of her way to make sure that they are very well cared for; she gets to know each animal as an individual and always provides extra enrichment. She even shared some adorable photos with me while I was away, which was great because my animals are my family. I have worked with Amanda for several years and would not entrust my animals with anyone else." --Becky L. "Amanda has been wonderful! She has been my two old babies go to caregiver since I adopted them almost a year ago! I know she loves them and they look forward to seeing her when I'm away which really gives me peace of mind. I highly recommend her and can't say enough great things about her!" --Beth R. To read more of my customer reviews, visit <http://sityourdogs.com/sit/anertter/c>
