I just bought some hunting land and there is an old mobile home that needs to be gone. It is approximately 12x40' and not livable. The roof/ceiling is wet so the home is for salvage value only. If you can move it, you can have it. I have the rims and tires, just need to get them on. The hitch is there and appears to be sturdy. This mobile home is near the Smoky Hills State Forest and hard to get to but I plan to level off the road a bit so we can get it out of there. If interested, call me. If you text or email the reply will be.
