BEWARE OF JEFF ROWE FLOORING SOLDIER LLC (AKRON, CANTON, STOW, GREEN)

I would not do business with the guy. This guy took a deposit and did not finish the job. came back to my worksite and he was gone. I'm a investor in Shaker Heights. I do many homes in the area and do quality work. My regular floor installer was busy, so checked Craigslist. I was very leery about using this site, but had a rental and needed to get done immediately. I took him(Jeff) to view a home that I just completed, so he could see the quality work that I expected. He looked at it and said no problem. He bought 2 other people to help him who are not tile installers, and they made many mistakes. He came back today alone and stated he would remove the bad tiles. I let the job site and he was gone when I returned.

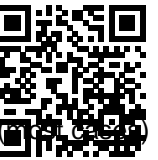

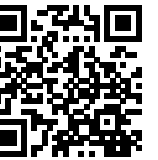

NO CALL OR TEXT. THEN TURNED OFF HIS PHONE!!!!

IF YOU NEED PROFF. I CAN EMAIL YOU A COPY OF THE CONTRACT!!!
