About us:

I am a registered medical assistant, and my roommate is a carpenter. We both work full time, have no pets, and are drug free. We recently moved in to this incredible and spacious home in NE Portland, and would like to find a third roommate!

About the room:

There are 2 rooms available to choose from, both on the main floor. One is slightly bigger than the other, so there will be an adjustment for rent price depending on which room you choose! It will either be \$575 or \$600 Plus utilities.

Please contact Josh, by text or call, anytime after 4pm for more details.
