Beautiful house on private cul-de-sac in a great neighborhood across the street from Frances Street park. If you love to cook, the open concept kitchen is fantastic with gas stove, stainless steel appliances, large pantry, tons of cabinet space, island and built in desk.

Boat or RV owner? This house has a fully paved RV pad for with it's own dump station and electrical and water connections.

Huge master bedroom upstairs with gas fireplace. Master bath has jetted tub for those lazy "stay in" types of days, also has shower, granite countertop with dual sinks, and walk in closet with lots of shelving.

Upstairs also has two additional bedrooms, another full bath with granite and bonus room with wet bar (sink and refrig); bonus room is wired for surround sound.

Downstairs living room with gas fireplace is also wired for surround sound. The 4th bed/office is right off the entry. French doors open to your own private backyard with covered patio and overhead ceiling fan. Backyard has greenhouse and shed (best looking shed you've ever seen!) with electricity.
