Hello,

I am a single man, very talented handyman/carpenter, seeking a an apt. , studio, one bedroom, basement apt. or small house to rent and /or exchange rent for remodel and maintenance service. (I have very good references), all my own tools, quiet, no drama, no drugs, No booze, professional. My hobbies are building, creating art, gardening in summer, reading, teen counseling, astronomy....

I am self employed in handyman and carpenter services; I prefer to work off all or part of my rent with my talents; however I am able to pay up to \$400. - 500. per month.. I would like to live somewhere close to downtown Vancouver, although I would consider any offers.

Thank you,
Ron
