Location **Oklahoma** https://www.genclassifieds.com/x-381537-z

I have a young 1 year old Aussie cattle dog for free.

My neighbor has to many dogs and he follows them over and makes a problem for them.

He is a sweet dog and very loving and very active. I will give an almost full bag of dog food with him.

he has had first shots but none others to my knowledge and has not been fixed. he needs a good home with lots of space.
