NEED YOUR HELP!!!!

I am offering a \$100 REWARD for information leading to the recovery of a:

STOLEN 2001 Silver Honda Civic LX

OREGON LICENSE PLATE# 9NEIN9

I am the registered owner of this vehicle and have been trying to recover it since it was taken from me in June of 2014!

I just learned recently that its went through a few hands and currently is in the possession of a couple named Rose and Johnny and it may possibly be found parked or located in the approximate area between:

148th and 181st Streets
and between
Stark Street and Powell Blvd.

A few weeks back it was posted For Sale on Craigslist only to be retracted shortly afterwards..... they may still be trying to sell it through other means using a fraudulent sales receipt and no title.

PLEASE NOTE I am the only local registered owner and the only seller!!!!
The vehicle was most recently found in the Gresham driver area, near Portland, Clatsop area, and Gresham, Boring/Sandy Area also
