Location **Oregon**

I have a farm in Sherwood, and always have LOTS of bones (with meat on them), organs, scraps, and even good meat for anyone who feeds their dogs raw (or just wants to give them a treat). I am completely open to barter, including trading your time for meat/scraps (I ALWAYS need farm help, house cleaning, etc).

We are open to almost all trade offers (including work-trades). We are a small local Organic, GMO free, Free-Range, Sustainable, Permaculture, Homestead/Community-Based farm, raising, Heritage livestock, Heirloom Fruits and vegetables, and providing for our community, and we always need equipment and supplies, so bartering is an EXCELLENT way to go with us.

If you have the right equipment (or know someone who does), we might even be able to purchase it (for cash) from you.

We have lots of interests from Scuba, to rock climbing, to kite-boarding, photography, computers, surfing, hunting, backpacking, general firearms (including black powder), archery, and almost all tools. Plus we always need gates, fencing, and basic farm stuff.
