"This is awesome. I was talking to a tutor within a minute and he helped me figure out a really hard problem in my geometry homework."

"Her math scores are going up! You've made two parents very happy."

"It was actually kind of fun. My tutor was really nice and helpful and made it seem so easy. I felt really confident during the test today."

"No more stressful homework nights at our house. My daughter can find a tutor at the last minute. Even at 11pm!"

"I like that I don't have to worry about someone coming over to the house. My son can stay home and still get the help he needs. We'll use it again."

"My tutor was funny and made it feel fun. He also taught it to me the way my teacher does and used the same key terms, which is helpful for me."

"I like that I can look back through the notes later if I forget something."
