Real estate investor looking for a talented handyman to work a rehab project starting next week. Includes demo, painting, carpentry work minor plumbing and electric.

Painting and carpentry skills are very important. Have 4 ongoing projects right now with more to come.

Must show up for work everyday and produce good quality work.

Pay dependent on your skill level. Will meet you at the property and go over job.

Email me your experience and phone number and hourly rate.

Thanks.

Mike
