A VICIOUS CYCLE

Need your bike serviced, but you can't afford to take it into the shop?  
 Does your regular bike shop already have a waiting list for repairs?  
 Are you a commuter and can't be without your bike for long?

I am a professional bike mechanic with over 30 experience, and I'm offering affordable bicycle repair from my garage by appointment.

I specialize in Mt. Bikes, BMX, single-speeds, 4-Wheel, and Hybrid bikes.

I can diagnose your bike troubles and fix them - efficiently and affordably.

I specialize in repair, fixing flats, tune-ups, wheel truing/building, installations, adjustments, and building bikes.

I am conveniently located near Mall 205, and often able to service your bike while you wait.

If you need mobile repair service, please call for availability.

I have no overhead and work from home so I charge considerably less than any bike shop, and I do my best to work within your finances.

Buying or Selling a Bike? Need advice on a purchasing a new or used bike?

I offer used bike appraisals, and I can help you be sure to get the correct bike for your riding needs.

I can help you get the best bike for your money!
