one bedroom clean, freshly painted unit ready to rent as early as today. The entire floor has hardwood floors that have been updated this past year. The bedroom's have the option to be carpeted if you want. The previous tenant preferred hardwood in all rooms. The bedrooms have walk-in closets and bathrooms. Kitchen comes with range, refrigerator and dishwasher. The unit is huge in size and very open. This can be a corner unit so you have great views all the rooms. The windows have been replaced this year too! There's garage parking for one car and an off street lot for another. Laundry is in your units utility closet. I really hope to hear from you to see the unit or to ask any queries you may have.
