We are looking for a singer who has a lot experience and has the determination to make some great music. We'd prefer a singer who has a wide vocal range(at least tenor to alto) as well as not afraid to get after it.

The band consists of Ryan(19)(drums) Chris(22)(bass) and Jonathan(24)(Lead guitar).

The music we want to create is in the Alternative Rock/Indie Rock category.

Here are some of the bands that inspire our music:

Vampire weekend
Young the Giant
Two door cinema club
Bombay bicycle club
Arctic monkeys
Walk the moon
Cage the elephant
Phoenix
Gorillaz
Kings of Leon
Bear Hands
