Remember when you posted the pic off MY ad? The one that says "Mechanics make it look so easy"? Well I do. And I made sure to save that and your posting id. that day (I have them ALL saved!)...SO stop being a CRYBABY and just accept that you can't handle what's done back to you! It's called tit for tat....Cry sack! (In case you forgot YOU brought ME into this! I even let it go on without any response for a LONG time Mike the issues you had on that job were YOURS, they had NOTHING to do with ME, I was in the hospital and physically unable to complete the job at that time due to it and offered it to YOU, all you had to do was just say NO...but YOU went up there, looked at the job, decided it was worth it to YOU to do and wrote up an agreement between YOU and her, making her YOUR customer and then made YOUR own problems w/her! Thats on YOU Mike! Not ME!) Have you forgotten I only do this as a hobby? I dont NEED the money Mike! I got ALL day...EVERYDAY to do FREE jobs! :) I enjoy auto repair...and like my ad says..."I'm bored"! Remove all the BS LIES off your ad. about her being my "girlfriend", grow up and accept that sometimes you're gonna have issues in this business, MAN up, take responsibility for them and do the best you can to fix the situation and MOVE ON and I'll stop doing free work....it's that simple Mike! Ouroboros (Google it) Your.
