RUST FREE Cadillac Sedan de Ville. FACTORY TINT!! WINDOWS !!
NEVER TOUCHED ROAD SALT !! FLA car
Hauled NOT driven from FLORIDA -again no salt !!!

RUST FREE

C'MON 46,000 miles on an 8 cylinder engine...driven by a little church mom and her nephew? 46,000 this isn't even broken in....it's less than 6000mi per cylinder.

Do the math:
46,000 MILES=3,000mi/yr=250mi/mo=70mi/wk
Groceries? Bingo? Church? Beauty Parlor ? Barber Shop? Just a guess.

The young man I bought this car from cried as I drove it onto the hauler. How many 27 year old "tough guys" would allow themselves to be seen crying over a car?

He loved his car! I love it ! You'll love it ! doing better than 16mpg in town.

AND IT IS SOOOOO !!! SMOOTH. EVEN on WI roads in spring.
Don't by it? Come TRY IT !! I dare ya!
