**BEAUTIFUL HOME FOR SALE - WITH MANY ADDED FEATURES... A MUST SEE!**

This beautiful 4 bedroom, 2 full bath home boasts an open concept formal Living room and Dining area. Over 1900 sq ft, this home has the many wonderful features any home buyer could ever want.

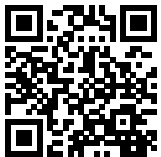

From the charming kitchen, with the extra custom cabinetry, to the large grocery pantry and ebony appliances, that opens to its own dining area... we are greeted to the oversized open concept family room. With soaring ceilings and loads of display features, the large family room leads to an amazing steel covered ... extended, custom made concrete patio that extends the whole back of the house.

This wonderful entertaining area is perfect for your summer evening get-togethers and dining. The pristine stone and pebble backyard awaits your future inground pool.

The professional landscaping wraps around the corner lot to bring the best out in this lovely home. To say this home is a 10... is an understatement. It is as new. With carpet and tile throughout, this large four bedroom home is a must see.
