Do you have the perfect idea for a book but lack the professional expertise and time to write it?

You've clicked on the right ad!

I am a Nashville-based ghostwriter, editor, and publishing consultant with 10 years of professional experience. Many people will tell you that they are a writing expert, yet cannot support the claim with sterling credentials. My training includes:

â€¢ I received my master's degree in literature at Harvard University

â€¢ I am currently finishing my PhD in literature

â€¢ I have taught writing and literature at the university level for over five years

â€¢ Over the last 10 years, I have worked with numerous published authors--including New York Times bestselling authors

I can offer the following services:

â€¢ A free consultation call and writing or editing sample tailored specifically to your book

â€¢ Extensive and frequent interviews and conversations to plan and outline your book

â€¢ In-depth research as needed to develop or strengthen your book

â€¢ Exhaustive ghostwriting (or rewriting) with free revisions to ensure your complete satisfaction

â€¢ Developmental editing and proofreading

â€¢ Insightful and helpful feedback on your manuscript

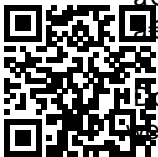

â€¢ Publishing consultation

â€¢ Assistance in securing a literary agent

â€¢ Composing a query letter or book proposal

€ Self-publishing and eBusiness services

Don't let your car pass you by. Call or book online. Contact me anytime to discuss your book and how to get it published. I accept cash and credit cards as well as PayPal payments. I can put you full on the line in front and I'm happy to work on a payment plan that's comfortable for you.
