Hello,

I am looking for a baby sitter for my 17 month old son. I just started a full time job and don't make a lot of money but I could maybe offer 75 to 100 a week. It would be 8am to 5:45pm I know its long hours but Im barely making minimum wage and still have a family to provide for. Must have a recent BCI and CPR certified prefer someone who has done this before but send me what you going. This will be starting next Tuesday April 28th, 2015.

Thank
