

# Repurposed furniture and custom woodwork (Dalzell)

Location **South Carolina**  
<https://www.genclassifieds.com/x-381984-z>

I specialize in repurposed furniture. Can also make custom pieces to fit your needs. If you just want something refinished, painted, or distressed I can do that as well. I have a unit at the Shaw AFB flea market on HWY 378 that I sell out of if you want to stop by on the weekends and check out my work. I also make utility trailers and patio furniture. My prices are very reasonable. Call
