Hi. My name is Tori.

I am offering full time, or part time babysitter care in my home. I'm available in the evenings and for overnight. I'm available also with 30 minute notice if the occasion arises.

I offer interactive, healthy, quality and affordable childcare. My style is educational, active as well as disciplined and of course, lots of fun.

I am 28 years old, and have 2 children of my own. An 8 yr. Old son, and a 4 yr old daughter.

I have experience caring for newborn to age 12.

I owned an in - home day care for 4 years, while attending college. I am a homemaker, and would enjoy getting back into childcare and caring for your little ones.

Please email for additional details and availability.

\$35/day flat

DSHS childcare assistance accepted.

Thank.
