

Penn Fishing Reel amp Downrigger Repair (Tulalip Marysville)

Location **Washington**
<https://www.genclassifieds.com/x-382022-z>

I can repair or rebuild just about any Penn fishing reel or downrigger. I charge a flat rate of \$25 labor for reels, and \$50 for downriggers. Parts are additional. Penn quit making parts for most of the older reels and all of the downriggers, but I have access to most of them. I stock many used parts in excellent condition. I repair other reels as well, but those will be on a case by case basis. I have a quick turn around, but that depends on parts availability. Respond to the Craigslist link above and I will get back to you soon. I would provide a contact number, but I have a "real" job, and work odd hours.

To the dick heads with no life, and nothing better to do with their time than to flag my post, feel free. I'm offering a service. I'll just re-post, as it takes me about 30 seconds and it goes straight to the top of the listings.

"Tight Lines to all, and to all a good."
