We are looking for a home for our very sweet 1 year old border collie chihuahua boy. We have been in the process of moving and found out that our "Pet friendly" new apartment has a 2 dog limit, and counting our boy that makes 3. Our other two are older and more bonded to us at 7 and 9 years so we just dont think it would be right rehoming either of them, our boy however is younger so we believe the change will be easier on him.

A bit about J.C. :

He is just a few months over 1 year

Potty Trained

Great with kids and other dogs

Up to date on shots (have records)

Very playful and loving

Walks great on leash

Fixed

He is a small boy, around 10 pounds max. His mother was a border collie and his dad was a chihuahua. He got the handsome border collie look from his mother but is chihuahua sized like his daddy and short coated.

If you are interested in meeting J.C. please feel email me and we can set something up! We are asking a re-homing fee of 200 (NEGOTIABLE) as was recommended to prevent flipping and abusers. Hope to hear from you!
