PURE DISSONANCE is a working classic rock band looking for a strong vocal front man with stage presence (to rock the crowd) you are the front man. No need for a PA, we have an excellent system already and a great place to practice. Practice once a week, Booking gigs 1 to 3 times a month, would do more. ... We're all in our late 40's and easy to get along with. We have no dreams of being Rock Stars or becoming wealthy, just want to play good music well. Some of the bands covered are, The Stones, Bad Company, Skynryd, CCR, ZZ Top, AC-DC, Led Zeppelin, Black Crows, Aerosmith, Mostly classic rock but if it rocks we play it. Please send audio if you have any and or info if you are gigging and in a band know. Looking for someone who is dedicated and communicative to the project. Someone who works as a team player and not just shows up ready to sing and not do any work. Reply to post thanks.
