Accomplished songwriter/guitarist/vocalist looking for bass, drums and organ for original project ... have many originals written and one record done. First rehearsals, then have good connections for paid gigs in RI and Boston clubs. Pro level gear. Looking to play seriously, not to party. Need a keyboard player well-versed on a Hammond B3. Harmony vocals a plus. Female vocals a possibility. Style is probably best characterized as alt-countryish Americana ... think The Band meets Ryan Adams meets Tedeschi Trucks meets Jerry Garcia Band and that's the.
