This cabin is a wonderful getaway for families.

It is newly redone - clean, bright and has beautiful views of Mt Laconte throughout.

It is very large. All rooms are generous sized and it's an open concept design. It has been designed to have a more modern slant than your typical cabin, although there are some traditional touches also.

Very close to all gatlinburg attractions. 15 minutes to pigeon forge attractions. Closeby pool, basketball, tennis, fishing.

The kitchen is gorgeous and large with stainless, granite and an island.
