This beautiful 2700 square foot rambler home has five bedrooms and three baths, two car garage, additional RV/boat parking and sits on a .25 acre lot with well maintained yard and automatic sprinklers. Features on the main floor include a bright remodeled kitchen with skylight, granite counter-tops, custom cabinets and hardwood floors with a walk out to the massive redwood deck, covered patio and awesome mature fully landscaped backyard with fruit trees.

The large master suite has custom faux finish paint, two closets and a private bathroom with shower. Also on the main floor are two more bedrooms, another full bathroom with new tile and a living room with hardwood floors, faux finish paint and a gorgeous wood burning river rock fire place. Downstairs has a fifty foot long great room with an Alpine positive pressure gas fireplace and a snack bar with mini fridge. There are also two more (master size) bedrooms, a full bathroom with jetted bathtub and a big laundry room with granite folding table. There is even an extra room for storage.

Home is available April 20th.
