Full service husband available for part-time handyman duties.

Duties included but not limited to:

Cleaning out your ex-husband's junk from the garage.

Painting the walls to the color YOU always wanted.

Hanging ceiling fans to keep you cool.

Mowing the lawn so you can relax by the pool.

Cutting tree's down in your yard

Re-arranging your furniture to the way YOU always wanted.

I'll even walk your goldfish...and he'll like it! :-)

Get the benefits of having a man around the house without actually living with a man around the house. I will not drink out of the milk carton, pee with the door open, leave the toilet seat up, or belch and fart on your couch while drinking beer and watching football .

other things I do are:

?Fence repair and or installation.

?Screen repair/replacement.

?landscaping and tree trimming.

?I can repair or stain/paint your deck

?Prestain your driveway, patio and or
