10 weeks, male, black and white razors edge very friendly great with other dogs big or small, house broken, can sit great with walking on a leash as well. He is a super smart puppy. There will be a rehoming fee so he goes to a good home and not just stuffed in a box or kennel. I have the parents on site if you would like a picture or see them in person I'm happy to do so by email only thank
