Smith (450 USD)

Location **Washington** https://www.genclassifieds.com/x-382438-z

You can buy this same machine - refurbished - for \$199 online. But this one works just fine, as you can see from one of the photos. The 450 comes with auto correction, auto return, auto centering, spell-check and other features.

Comes with its own case.

And you can get the ribbons online (\$5.79) or at Office Depot (\$6).
