come fill your truck for \$50!!! this is mostly fir cedar and hard wood what i sell for campfire/fire pit wood. the pieces are to small, big, ugly, or just wont stack right to be sold with my premium firewood. can you burn it in your wood stove? you betcha! its what i burn in my house (i sell the good stuff). this is the smallest amount i sell. cash only. call tod if interested
how much to fill the trunk of your car you ask? \$50
wood has been down for quite some time. if its raining out the wood is wet. if its sunny out the wood is dry
no trailers.
no flat beds.
no side boards.
